

## Ecuador

**Ecuador** is a country known for having the largest biodiversity per square kilometer in the World. Separated into four very distinct regions, **Ecuador** allows you in a very real way to explore 4 different worlds in one country. The

### **Galapagos Islands Archipelago**

is the most well known for its incredibly unique blend of scenery, flora and fauna. Recently nominated as one of the seven natural wonders of the world along with the

### **Galapagos Islands**

the

### **Ecuadorian Amazon**

also offers an amazing variety of plants, animals and aboriginal villages providing an unforgettable life experience. The Highland Region known to the locals as “

### **Sierra**

” is home to the Beautiful Capitol city of

### **Quito**

. A wonderful city in itself,

### **Quito**

is very close to many must see locations like the Mindo Cloud Forest, the

### **Equatorial Monument**

, the

### **Otavalo Indian Market**

, The

### **Cotopaxi Volcano**

and much more. Finally the Coastal regions offer countless beautiful beaches to take in some fun, sun and relaxation. Take the adventure of a lifetime by exploring

### **Ecuador’s four worlds**

.
